Versatile Tech Enthusiast | Web Developer | UI Designer | Front-End Developer (Basic full stack developer)

CAREER OBJECTIVES

As a fresher, my career objective is to launch my IT career with a strong passion for technology and a hunger for growth in a dynamic environment. I aim to apply my knowledge and skills to drive the success of a forward-thinking organization. With asolid IT foundation and a commitment to continuous improvement, I'm dedicated to making a meaningful impact in the ever-evolving IT industry.

SKILLS

- FRONT-END : Web development,web design (Html,CSS)   * UI design   * Android development
- BACK-END : C/C++/Java/Python in (NINT Educare Pvt Ltd) * Internship in C/C++/Python (NINT Educare Pvt Ltd)
- DATABASE : SQL (NINT Educare Pvt Ltd Trichy)   * MS Office : (word,Excel, power point)[DMO] in (CSC)

Experience

- As of September 2023 to December 2023, I served as a dynamic member of the Sevika Tech Private Limited team, excelling in the dual role of Assistant Junior HR and Web Developer. My contributions demonstrated dedication and versatility, adding value to both functions.
- I worked as a teacher at NINT Private Limited from December 2021 to November 2022, focusing on C, C++,Python, and Java.

INTERNSHIP

- Versatile intern with expertise in HR team and web development, including game development, digital marketing, and poster creation. Interned at Sevika Tech Private Limited, showcasing a unique blend of skills and a passion for innovation to contribute effectively in diverse roles. Notably, I was actively engaged in the internship from September 1 to September 31.
- As a Business Development Intern at Sureti IMF Pvt. Ltd., I actively contributed to growth initiatives. I assisted in market research, client outreach, and proposal development, gaining practical experience in the financial industry.

PROJECTS

- ([Path solutions](#)) Completed inaugural project at Sevika Tech Private Limited, developing a dynamic website for the Path Solutions Education project.Streaming successfully online, this achievement stands as a milestone in my professional journey. Grateful for the opportunity to contribute meaningfully to impactful projects, showcasing a blend of creativity and technical prowess.
- [Website](#) I've created a personal website using HTML and CSS in Visual Studio Code. It showcases my projects, profile, and services. You can contact me for inquiries or collaborations, and there's a messaging feature for easy connection. Check it out!
- [Mini project](#) I have Created a secure MCA mini project at Dhanalakshmi Srinivasan Medical College, featuring login and registration pages connected to Firebase for data storage, with a user-friendly home page.
